

# ANNUAL SUMMER SOCIAL

# BBQ COMPETITION

**Who's Who in KC** - Join DBIA-MAR for an early evening of fun, BBQ and refreshments at the River Market Event Place. This popular summer social event is traditionally a "Who's Who" in the A/E/C market with great networking and marketing potential for any firm trying to reach socially active development and construction leaders.

**BBQ** - Five teams will be competing for trophies in pork ribs, sausage and a meat of their choice. Plenty of finger food samples will be provided to delight your taste buds.

**Beer and Wine** - An open beer and wine bar with a nice variety is sure to spice up this early evening industry mixer. Indoor and outdoor areas are available at this event, which means air conditioned comfort is just a few feet away for anyone seeking a cooler, more comfortable space.

## The BBQ Teams:

## THE ESSENTIALS
