SPONSORSHIP OPPORTUNITIES

This is a special event for DBIA-MAR where we raise funds for our four Student DBIA Chapters through a Clay & Trap Shoot competition. The event is in its 11th year. A portion of the proceeds will be used to send the winning Student Chapter Team (design-build competition as managed by DBIA National) to DBIA's National Conference. Join in the competition and participate in sponsorship so that we may assist our existing Student Chapters and help start new ones. Each of the Region's networking events, programs, tournaments and educational classes draw industry peers together, offering great opportunities to establish new relationships and project opportunities for firms. As a sponsor you can elevate to a "front and center" role and gain "spotlight" opportunities for growth.
