

How Kansas City is Outpacing Peer Cities in Transportation and Logistics

Please join us October 14th to discuss industries and markets that are exceling in Kansas City amidst the pandemic. Hear from local experts how we are outperforming peer cities in transportation and logistics and how Kansas City will continue to thrive.

This meeting will be virtual via Zoom.

Panel:

- Andy Kyser, UPS Marketing Manager
- David Long, Kansas City Aviation Department, Deputy Director of Aviation
- Eric Goodman, BNSF Railway Economic Development
- Jon Stephens, Port KC

Moderator:

- Chris Gutierrez, Kansas City SmartPort President
