

# DBIA-MAR NEXTGEN

## Habitat for Humanity Volunteer Event

NextGen is excited to give back to the community by partnering with Habitat for Humanity! We are looking for 16 volunteers to help with either a morning or afternoon shift.

**Friday, July 16, 2021**

AM Shift – 8 a.m. – Noon (8 Spots)

PM Shift – Noon – 3 p.m. (8 Spots)

**SPOTS ARE LIMITED!**

► **REGISTER** <https://nextgen-jul-volunteer-21.eventbrite.com>

**Registration closes on July 1** because HFH wants the volunteers 2 weeks in advance. **After registration, DBIA will send you a link to complete Habitat for Humanity's waiver to complete prior to volunteering.**

"Your group will arrive on site at 8:30 AM where you will receive a short welcome, safety talk and scope of work. After you are all checked in and ready our Site Supervisor and crew lead will get everyone to work based on the scope for that day. All your volunteers that sign up will receive an email 5 days in advanced with the location. We have a lot of open construction sites right now and staying mindful of weather we don't assign locations until then because they would probably change!"

### Construction Volunteer Information:

- Construction volunteers do not need to have any prior experience in construction or bring any of their own tools; we will give you all of the education and tools you need!
- In case of inclement weather, please call our Weather Hotline at 816.924.1096, press 6, press 1 to hear the recorded message for any cancellations or changes. We update the message by 7:15 a.m. each morning.
- Effective 4/30/2021 – Volunteers are NOT required to wear a mask while outdoors. All volunteers are required to wear a mask over their nose and mouth while indoors on the construction site.
- We highly recommend you bring a water bottle with you.
- Please wear clothes you don't mind getting dirt, mud or house paint on, and wear sturdy/closed toe & heeled shoes (NO flip flops, sandals or crocs!) If you have work gloves, please bring them.
- Dress for the weather. If there has been rain on previous days, be prepared for the sites to be muddy.
- The use, purchase and possession of alcohol, drugs and weapons are forbidden on Habitat KC property and volunteer sites.
- All volunteers must be 16 or older to volunteer.
