Who's Who in KC - Join DBIA-MAR for an early evening of fun, BBQ and refreshments. This popular annual social event is traditionally a "Who's Who" in the A/E/C market with great networking and marketing potential for any firm trying to reach socially active development and construction leaders.

BBQ - Teams will be competing for trophies in pork ribs, sausage and a meat of their choice. Plenty of finger food samples will be provided to delight your taste buds.

Beer and Wine - An open beer and wine bar with a nice variety is sure to spice up this early evening industry mixer.

The BBQ Teams

Fire up the grill! DBIA's Summer Social is back at a new location!!!

We are looking for up to eight (8) BBQ teams. Contact David Smalling if your team is interested.
