

SEPTEMBER 17, 2021

Plan for a day of great shooting at one of the premier ranges in the area – Powder Creek. Registration begins at 8 a.m. – donuts and coffee provided. Shoot starts at 9 a.m.

Same “Iron Man” format as years past! All participants will shoot 50 sporting clays and 25 trap targets as a team. Trophies will be awarded for team scores, individual sporting clays scores and individual trap scores. Catered lunch will be provided.

Registration is first come first served. There is one session. Please bring your own gun, shooting glasses, hearing protection and shells. Some items available for purchase at Powder Creek. However due to a nationwide ammo shortage, shells will not be available to purchase. DBIA is currently sourcing options to purchase/provide shells for teams who need them, so we'll provide more information if/when available.

### Great Sponsorship Opportunities are Available!
