

SUMMER SOCIAL & MEMBERSHIP DRIVE

Delta Innovative Services

Who's Who in KC – Join DBIA-MAR for an early evening of fun, BBQ and refreshments. This popular annual social event is traditionally a “Who’s Who” in the A/E/C market with great networking and marketing potential for any firm trying to reach socially active development and construction leaders.

BBQ – Teams will be competing for trophies in pork ribs, sausage and a meat of their choice. Plenty of finger food samples will be provided to delight your taste buds.

Beer and Wine – An open beer and wine bar with a nice variety is sure to spice up this early evening industry mixer.
