

Construction Industry – 2022 Economic Update

Presentation Featuring:

Ken Simonson: Chief Economist, AGC of America, Arlington, VA

Dr. Eric Thompson: W.W. Marshall Associate Professor of Economics and the Director of the Bureau of Business Research at the University of Nebraska-Lincoln

Discussion Topics Covered:

- Ken will bring his unique national perspective of the economy relating to the Construction Industry.
- Eric will provide the statewide economic perspective as it relates to development, construction and renovation in vertical construction and related industries. He will also address the impact of the pandemic to the Nebraska economy and how it may or may not affect the construction industry locally.
