Same “Iron Man” format as years past! All participants will shoot 50 sporting clays and 25 trap targets as a team. Trophies will be awarded for team scores, individual sporting clays scores and individual trap scores. Catered lunch will be provided.

Registration is first come first served. There is one session. Please bring your own gun, shooting glasses, hearing protection and shells. Some items available for purchase at Powder Creek. However due to a nationwide ammo shortage, shells will not be available to purchase.
