

DBIA-MAR NEXTGEN

Power and Light Happy Hour

Reconnect with the DBIA NextGen group at our upcoming Pre-Big 12 tournament happy hour in the Power and Light District. This will be a great opportunity for young professionals, new grads, and Co-Ops to get out of the office/house and expand their network. It's been too long, so join us for drinks and have a great time. We look forward to seeing you there!

The Next Gen committee is focused on the success of emerging design-build professionals in Missouri, Kansas, Iowa and Nebraska, with the following mission:

To connect, empower and grow future A/E/C leaders through continuing education, programming and networking that fulfills the pursuit of success in personal and professional endeavors.

Next Gen events are open to everyone but geared toward those under 35 years old.
