NICU Expansion Project Job Tour

July-Aug: Summer Break

Project Details:

The Methodist Women's Hospital NICU expansion is a vertical expansion on top of the West side of the hospital. This new expansion consists of 11,000 square feet and includes 14 new patient rooms and a penthouse mechanical room. The project is being built above an active labor and delivery floor and adjacent to the active NICU.

Major challenges of the project include controlling noise and vibration levels caused by construction work in an active hospital.

Owner: Methodist Health Systems

Architect: Holland Basham Architects

General Contractor: The Graham Group Inc. – Construction Division

****Personal protective equipment is limited on the jobsite. Please bring your own****

Happy Hour to follow at Lazlo's Brewery in the Hickory Room. (2425 S 192nd Ave, Omaha, NE 68130)
