COST

DBIA Members – \$30

Non-Members / Guests – \$45

Students/Faculty & Owners – Free

In 2024, Kansas City Current will open KC Current Stadium at Berkley Riverfront Park, in one of the boldest builds ever seen in Kansas City and women's sports at large. As part of a 50-year lease agreement with Port KC, the privately funded soccer-specific stadium is being built on a 7.08-acre site on the east end of the park in Kansas City, Mo., in partnership with the primary design and construction partners, Generator Studio, Monarch Build and JE Dunn Construction. Join members of that team as they discuss their experience designing and building this history making facility. You will not want to miss out hearing from this stellar panel.

Panelists:

Courtney Kounkel, *Monarch Build*

Scott Sherry, *JE Dunn*

Tom Proebstle, *Generator Studio*
