The TRIO logo is mounted on the exterior wall of a building. It consists of a cluster of white hexagons arranged in a triangular shape, followed by the word "TRIO" in a large, bold, white, sans-serif font. The building's exterior is made of dark brown horizontal wood siding, and the base is finished with a stone veneer. To the left of the main building, there is a covered walkway with a dark metal frame and red LED lighting strips along the top edge. The sky in the background is a mix of orange, pink, and blue, suggesting a sunset or sunrise.
