About DBIA-MAR

The Mid-America Region of the Design-Build Institute of America (DBIA-MAR) was formed in 2000 to inform, educate and promote design-build best practices and integrated project delivery throughout Missouri, Kansas, Iowa, Nebraska and Minnesota. DBIA is a national membership organization that was founded in 1993 to advocate and advance single-source project delivery within the design and construction community.

2025 Regional Sponsors

With the generous support of our 2025 sponsors, DBIA-MAR has **hosted over 60 events reaching more than 3,300 guests, provided 11 CEHs and partnered with over 10 other associations.**

DBIA-MAR 2025 Highlights

- Provide educational opportunities as we work to grow design-build. With Q&A always a priority for guests.
- Social opportunities with cross sector networking in a fun and inclusive environment.
- Regional impact by supporting initiatives and elevating industry standards. Assisted with removing MO sunset for DB legislation.
- We have expanded our student chapters with the recent addition of Kansas University and Pittsburg State University as well as scholarships.
- Work to be a resource for Owners and Municipalities.
- With a partnership with Harp & Sling created a Why Design-Build promotional video.
- Largest DBIA Certification Workshop for MAR with 33 attendees.
- Constant LinkedIn presence and email communication and resource for sponsors, members and all valued partners.
